## Grand Knight's Message

Dear Brother Knights,

I would like to thank last year's council for another successful year. Our joint ventures with the Catholic Women's League were all very successful. The card parties, basketball free-throw, car show and all other events were all a success. We can be very proud of ourselves. Next year we need our main focus to be on recruitment. Some people say, "Why join the Knights?", when the real question should be, "Why not?" . We are an organization where we believe in:

- Supporting women and children/families
- Strengthening our faith
- Supporting our clergy and church where possible
- Helping to make our community a better place.

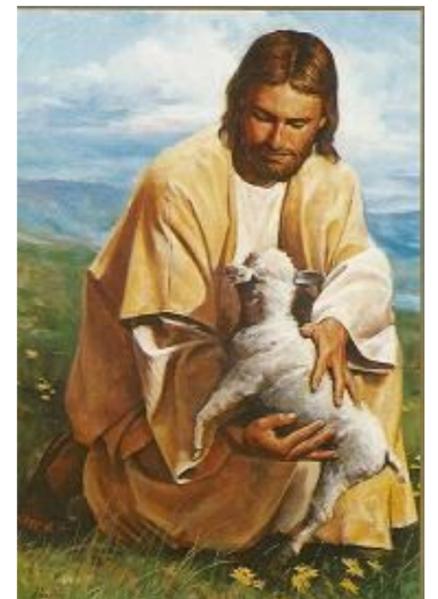

These realistically should be the fundamental beliefs and goals of every Catholic gentleman. So Brother Knights look around and think about asking prospec-

tive individuals to join our Knights of Columbus. At this time I would like to congratulate Tony Wagner who has made his first degree. Congratulations to our "Lady of the Year". She has always been a huge support for her husband. Getting involved and jumping right in there is not something she is not scared of. She now helps in advertising all of our events. Thank you to Sandra Zinger for all you do for us. Picking our Knight of the Year was not easy. We have a few terrific candidates. This individual is the type of person you can sit and talk to for hours. In the past he has been our lector and we always learned something about our religion. He has been our car draw chairman. He is always willing to help when he can. He has a classy way about him and I know he would have made his father proud. Congratulations, our knight of the year is George Isley. Another thank you goes out to Tim Vegh for all the work he does on our spectacular informer and as our financial secretary.

We have a golf tournament tak-

ing place on August 25<sup>th</sup>. Please come out and support our first tournament. All money raised is for charity. We are also hosting a smart serve course on September 24<sup>th</sup> There is also an invitation to join the Maryhill Curling club which will be starting in October. Information about these events is to follow in the informer.

Thank you for another great year and lets all get involved for another successful year. God Bless,  
Mike Runstedler, Grand Knight Council 6024 519-648-3394

### Champlain's Message

A few quotations to illustrate the power of the Mass.

Fr. Voisin

The Mass is the most perfect form of prayer!  
**Pope Paul VI**

For each Mass we hear with devotion, Our Lord sends a saint to comfort us at death. (revelation of Christ to St. Gertrude the great).

A single Mass offered for oneself during life may be worth more than a thousand celebrated for the same intention after death.  
**St. Anself**

One Mass before death may be more profitable than many after it.  
**St. Leonard of Port Maurice**

"The Holy Mass would be of greater profit if people had it offered in their lifetime, rather than having it celebrated for the relief of their souls after death"  
**Pope Benedict XV**

Once, St. Teresa was overwhelmed with God's Goodness and asked Our Lord "How can I thank you?" Our Lord replied, "ATTEND ONE MASS."  
**Jesus Christ**

"The Blessed Virgin Mary once told Her faithful servant Alain: "My Son so loves those who assist at the Holy Sacrifice of the Mass that, if it were necessary He would die for them as many times as they've heard Masses."  
**The Virgin Mary**

"When we receive Holy Communion, we experience something extraordinary - a joy, a

fragrance, a well being that thrills the whole body and causes it to exalt."  
**Saint Jean Vianney**

"If we really understood the Mass, we would die of joy."  
**Saint Jean Vianney**

"There is nothing so great as the Eucharist. If God had something more precious, He would have given it to us."  
**Saint Jean Vianney**

"When we have been to Holy Communion, the balm of love envelops the soul as the flower envelops the bee."  
**Saint Jean Vianney**

"The celebration of Holy Mass is as valuable as the death of Jesus on the cross."  
**Saint Thomas Aquinas**

"It would be easier for the world to survive without the sun than to do without Holy Mass."  
**St. Padre Pio, stigmatic priest**

"The Mass is infinite like Jesus. . . Ask an angel what the Mass is, and he will reply to you in truth,"I understand what it is and why it is offered, but I do not, however, understand how much value it has." One angel, a thousand angels, all of Heaven know this and think like this."
