Knighly Informer

Grand Knight's Message

Dear Brother Knights,

As your Grand Knight I am bombarded with mail/literature asking for support be it financial, physical or even as prayers. Anyone attending the meetings can see that it is impossible to ad-

dress all requests or projects. It is important to read and consider each one on its own merit. We have received a request by which I ask all brother knights and their families to look into. The Right Honourable MP, Steven Woodworth and Brother Knight, has put forth a private members bill amending section 223 of the criminal code. He is asking for a committee to be assembled to study when a person becomes a human being. The existing law is 400 years old and states, "...that a child is not a human being until the moment of complete birth...", contrary to 21st century medical evidence. There are petitions being circulated trying to bring this to our government's attention. This petition has been included in this informer and I ask that you, your families, and friends please think about supporting this motion keeping in mind that all

Canadians, regardless of age can sign it. All petitions must contain 25 signatures before being forwarded to your local MP Any partial or completed petitions can be forwarded to my address at 12 Homestead Dr. Maryhill, ON NOB 2B0, and I will forward them to our local MP. As a Catholic organization it is our duty to look at this issue keeping in mind our moral values and doing the right thing.

On July 7th, 2012, we will be holding a Knights of Columbus Appreciation Dinner. We will be having a spaghetti dinner with Melody Train to follow for entertainment.

This night is held to recognize our council executive, corporation executive, chairmen of events and our members' widows. It is open to all other members and their wives for \$10.00 per person advance tickets only. Come out to show your support to the past year's council.

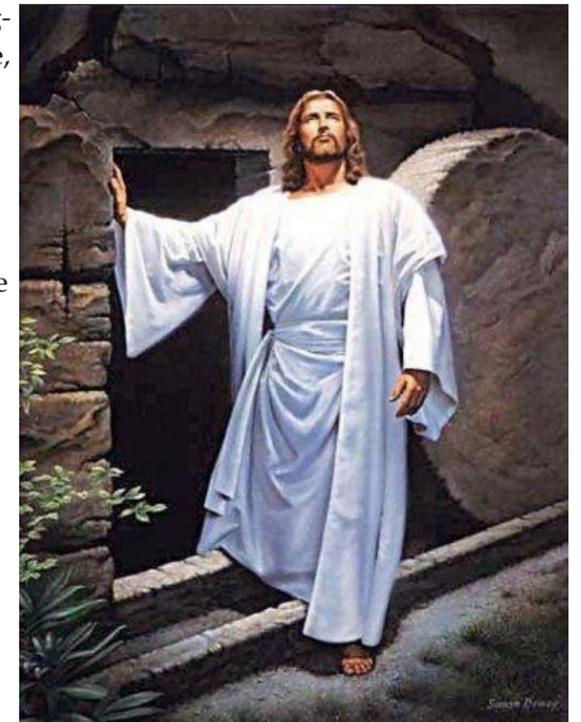

We are in line for another successful year. Our Valentine's Dinner was a complete sell out. Thank you to the Catholic Women's League on this joint venture and everyone

who participated. It has been the mandate of our council that all workers pay for a ticket at all meals. We do this because we are all working for charity. Check out our calendar of events for what is upcoming. Don't forget our nominations in April and our election in May. Please consider holding a position on council.

Many thanks from my family and myself to all who make our council a success.

May God Bless you with a wonderful Easter season

Mike Runstedler, Grand Knight

Council Officer's Report

Just a quick note . There will be a road clean up along 86 highway some time in May The highway cleanup just consists of walking and picking up trash from Ariss to Weisenburg. It is not hard work and when bags are full they are simply left on the shoulder for pickup later. There is always something going on so if you might want to help a little just give me a call. Doug Zinger
